

MAGIC OF MONEY WHITEPAPER

Magic Of Money!

While offering token projects a valid use case, we also offer investors a legitimate way to increase their passive income indefinitely. Magic Of Money is an exciting new token at BSC that includes an innovative feature in its contract. Magic Of Money is a Hyper Deflationary token that rewards holders on every transaction.

Magic of Money, which will distribute 10% Reward reward [**\$MAGIC**] to holders on every trade; hold tight as we take us on a journey to the Moon, Mars and Beyond!

MOM is a project focused on winning and earning.

Those who hold MOM will earn \$MAGIC.

You will see our goals come one by one.
